

INTERFAITH HOSPITALITY NETWORK

A community response for homeless families in Greater Cleveland

2009 Golf-a-Thon — Join Us!

Test your endurance....test your love of golf...**be a leader** as you golf 100+ holes in a single day to help Cleveland's homeless families.

Interfaith Hospitality Network of Greater Cleveland's annual Golf-a-Thon is set for Monday, June 15th at Legend Lake Golf Course in Chardon. You'll head out to the links at dawn and end the day tired, knowing that your effort will help a Cleveland family get shelter and the social services they need to build a better life.

You'll solicit pledges per hole from friends, co-workers, and family to benefit IHN and then attempt to play 100+ holes of golf in one day. Yes, it can be done! Teams of two or more are welcome to combine forces to solicit joint pledges and split the holes golfed. ***In this year of great need, we need you to get on the leader board!***

To reserve your spot, contact Mark Rabkin, Event Chair, at merabkin@althans.com or 440-247-6422. More details are available at ihncleveland.org. Corporate sponsorship and opportunities to help on the Golf-a-Thon Committee are also available.

Thank you for helping our guest families on their journey home. We'll see you on the course in June!

HOW IHN HELPS

IHN's 70+ diverse congregations open their doors to provide meals, overnight shelter, and companionship. **Thousands of volunteers open their hearts** each year to make guests feel welcome. In 2008, IHN helped a record 59 families and 112 children.

IHN guests receive safe day shelter and intensive social services at IHN's two Family Centers to help guests gain housing and employment. Over 80% of guests move to stable housing within 60 days.

IHN transports homeless children to their old neighborhood schools, and familiar friends and teachers provide stability as they deal with the trauma of homelessness.

IHN provides practical support during and after guests' 60-day stay: mentoring, life skills training, children's enrichment, and donated furniture and household items to turn a new house into a real home.
